We're going to take part in the 2018/19 cohort of 'make a noise.'

tootoot»

The tootoot platform offers children a digital solution to reporting bullying and online resources for staff, parents and children. It can be accessed via any internet connected device.

As part of taking part, tootoot and the DFE have asked if they could ask our parents' opinions. Please see the link below if you'd like to take part.

(please use the code 2393 for Q1)

If the survey leaves you with further questions or you would like advice on keeping your child safe online then please attend our E-safety event on Thursday 3rd May Starting at 15:30.

The sun is out ... we're hoping it stays ... but please remember to pop a waterproof jacket in their school bag so it's there when the weather decides to change!

As the sun is out please remember to apply sun cream to your child BEFORE they come to school – please DO NOT send sun cream/spray into school – there are children who may have an allergic reaction if they come into contact with sun creams.

Please remember to wear school shoes and not open toed sandals / crocs – they're not safe for the school yard

Our U11 football team have played 4 league matches after school in the last week! On Tuesday they played St Michael's and had another well deserved win (final score: 4-2) - great teamwork and attitude was shown by everyone on the pitch 😊

Year 6 were given the opportunity to join two other schools from Durham and Newcastle at St James Park for an event with Newcastle United Football Club and Show Racism the Red Card. Before engaging on a fascinating tour of the football stadium the children attended workshops based around racism and hate crimes. At the end of the day the children enjoyed a question and answer session with representatives from Durham Police, Newcastle United Women's Football Club and local organisations with a passion to educate communities on the subject of racism. The children really enjoyed the day and were fabulous ambassadors for Shilbottle Primary.
