Week 31 – 18 May 2018

Mr Parnaby has been into the classes this week to **REMIND** everyone about wearing the correct school uniform.

**Please** support school in this and help your child find their black/grey school trousers [not leggings or jeans] / skirts / shorts, red summer dresses, yellow polo shirts, red jumpers and school shoes [NO trainers].

We also ask that **ALL** children have their **P.E. kits** in school every day – red top, black shorts and TRAINERS. If they do not have their proper kits we have a spare box [which no one is keen on!]

Mrs Haddow and the Welfare Forum have donated 50 young saplings to be planted in the school grounds. Our Year 3 & 4 pupils have been out this afternoon and planted approximately 20 trees with the help of Mr Wilkie, Mr Mavromichaelis and Miss D Mowbray who very kindly gave up her dinner hour to come along and plant a tree with her son. Hopefully over the coming years we will get to watch them grow and create our very own Shilbottle woodland.

## E-SAFETY... DOING IT TOGETHER - Advice for parents

### Have the talk!

About gaming we mean, not the other talk. It's an interesting talk we sometimes have with children, specifically about the amount of time they spend playing their games, what they enjoy so much about their games, and the emotions they feel, particularly when they have to come off their game. The latter part, emotions, is incredibly important to understand.

To non-gamers, a game is just a game, but to gamers it's far more than that; for many children and young people it's a hugely important part of their social life. Just playing a game over and over would become quite boring after a while, but playing with friends and sometimes others around the world it's a very different story. It's equally important to understand the game as well.

One of the most frequent concerns I hear from parents is the negative behaviour experienced when their children are told to come off their game... is this because they are told to come off their game but aren't given enough time to get to the next save point in the game or complete a level? Resulting in everything they have achieved has just been lost.

**GDPR** In the near future, GDPR [general data protection regulation] will become law in the UK. Our school is working towards compliance, and we need your help to achieve it before the May 25<sup>th</sup> deadline indicated by parliament.

**Last week school distributed every parent in school [via ParentMail] two forms for you to electronically sign and return.**

They are:

- Parent consent form (this allows school to process your data)
- Data subject consent form (this allows school to process your child's data)

Please complete the forms as soon as possible.

Should you require further information please take advantage of the GDPR section on our website.
