E-SAFETY... Have you heard about ... CEOP?

Recently, we have had some parents expressed concerns with regard to the content of their child's mobile phone / tablet.

We cannot emphasise enough the importance of you [as the parent] monitoring the activities of your children via the internet. Our KS2 children have recently had safety talks from a specialist and as part of our day to day work we remind children of the dangers of social media.

We have also held Parent Workshops around this issue in order to ensure your children are informed and kept safe.

Should you require any further information you can access the CEOP (Child Exploitation and Online Protection) website to report any concerns.

<https://www.ceop.police.uk/safety-centre/>

Please make sure you keep checking your parentmail and dojo for letters and messages. If you don't have the apps on your phone please download them it makes it easier for all concerned.

All children have homework set on mathletics and literacy planet please make sure your child is up to date with this as some children have up to 15 outstanding activities. Please contact the class teacher if your child has lost their password 😊

If you have any difficulties please contact the class teacher.

Key Stage 2 Mixed Rugby

On Monday 40 pupils went to Alnwick Rugby Club for school games qualifiers. The Y3 / Y4 teams played well and enjoyed the experience. Both the Y5/6 teams played well and one team ended up in the final against Berwick. Our team showed some excellent rugby play and competed to the end and they came a VERY well earned second 😊 We hope to see you all at club soon ...
