Parent's & Children's Workshop.. Parents have talked about needing support with their child's education. We have decided to hold a workshop for Parents & Children on Monday 14th March from 5.30pm until 6.30pm. Parents will experience some of the activities along with their children. It will give children a chance to show you what they can do. At this workshop we will ask you to give us some feedback on what support people would need. We hope to have a fun night (we promise it won't be too hard). We hope you can come along and join us.

<u>Best Presentation & Handwriting</u>
