E-Safety *Digital Christmas*

Presents unwrap more than paper

It's when children reach the age of ten or eleven that the desire for more sophisticated technology sets in. Young people may well become frustrated when they can't get the same games or apps as their friends have on Android or iPad.

Devices such as the Amazon Fire 7 offer a happy medium, allowing parents to set up password-protected profiles so they can give each child access to only the books, games and apps they want them to see.

But ... what happens when children reach an age where they want to interact with their friends online?

Games consoles have always been highly targeted at the teenage market, but younger and younger children now have access to them.

Once designed solely for playing games, consoles are now connected to the Internet to allow a more interactive and collaborative experience.

Consoles today don't just allow gamers to play games with others, but also allow them to exchange photos, engage in live messaging and even 'host' parties online.

Christmas will be here before you know it ... we hope you have already got the dates in your diary ☺

Reception, Year 1 and Year 2 will perform their nativity play twice...

Monday, 18 December @ 2:00 p.m. [TBC] for families with toddlers

Tuesday, 19 December @ 2:00 p.m. [TBC] for adults only

Our **Year 3, Year 4, Year 5 & Year 6** pupils need to be at church on Tuesday, 19 December by 5:45 p.m. for their carol service. We expect the church to be open from 5:15 [TBC] for adults wishing to have a pew!

WHATEVER THE WEATHER ...

Just a reminder to all parents BUT especially to those whose children walk to school by themselves ... on wet days the doors to school open at 8:30 a.m. Please make sure the time your child leaves the house reflects this ☺

The really wet day a couple of weeks ago saw Y5 and Y6 pupils waiting to come into school at 8:15 [because they didn't stop at the park for 20 minutes!]
